¹ **Tonnes harvested** column is a total of all wine grape production recorded from within the Riverina Wine Grapes Marketing Board area of operations. Constituted wine grape production subject to a Board service charge of \$3.90 per tonne = 204,027 tonnes. Valuing total crop at average prices is approx. \$113m – independent growers return \$92 million (\$103m in 2004).

² **Tonnes purchased** column includes wine grapes purchased in the Riverina Geographical Indication from independent producers, winery-owned production and winery controlled fruit sold. Surveyed production in the Riverina Geographical Indication area for 2005 totaled 251,416 tonnes. 2,846 tonnes were grown outside the Board's area of operations.

³ Unsound wine grapes that were used for distillation purposes were recorded in their variety category by the Board.
